nationwide logistics service

About Us.

Nava netra Logistic Sdn .Bhd Thirty years before as it came into existence in 2005. It emerged as an international freight forwarder and Customs Broker for small businesses at Penang. Innovative operational techniques enabled us to enjoy almost immediate success and growth. We have 4 branch offices in Malaysia along with the worldwide agents. We successfully offer our clients complete door to door transportation, which is tailored to their exact requirements. We believe that automation and I.T. development will be an integral part of our industry in the future. Apart from being a major player in Malaysia, we have also established a comprehensive agency network throughout the world. Our worldwide partners are as committed as us in providing

our customers with high quality, efficient and a total logistics service anywhere in the world. At Nava netra Logistic Sdn .Bhd, we understand how important and how necessary reliable, accountable fulfilment, and distribution services are to your business. We will always hold true to our commitment to providing excellent service and at the same time offering good value to our customers. Give us the opportunity to help you to focus on your core competencies while we take care of the rest.

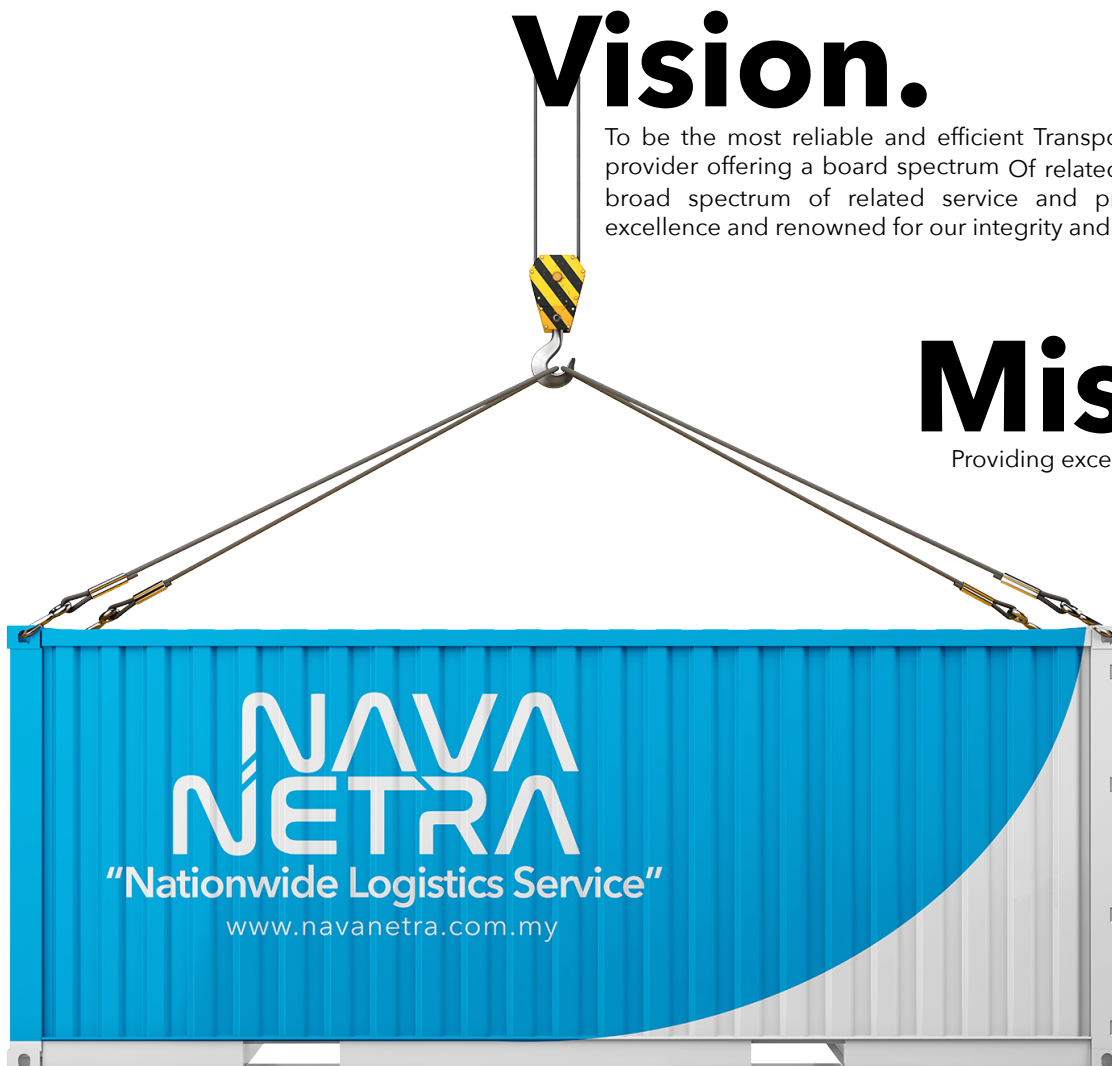

Our greatest asset has been our dedicated staff of employees. The motivation, perseverance, loyalty, and willingness of our staff to strive for excellence have made it possible for Malaysian Cargo to compete successfully in the global marketplace. Our teams are committed to make a difference and achieve excellence in customer services that resulted in recognition of IATA to enlist Nava netra Logistic Sdn .Bhd in top three freight forwarding companies of Malaysia for the last fifteen years. Similarly, the Nava netra Logistics Sdn .Bhd has deep roots spanning over 13 years in the logistics and air cargo handling industry. We have grown from strength to strength to where it is today. Our passion is to be Malaysian leader in logistics and air cargo handling. We are committed to continuously seek opportunities which will enable us to spread our wings further and undertake movement of cargo in the entire continents of the world. Ultimately, wherever there is a customer shipment, we at Nava netra Logistic Sdn .Bhd will have the right solutions. The Nava netra Logistic Sdn .Bhd story begins in 2005 in the city of exporters of Malaysia in Penang, as a humble transport company comprising of 2 trucks and a workforce of 4 staff. Today, Nava netra Logistic Sdn .Bhd boasts of a workforce of over 100 staff located in 3 cities.

Hypermarket.

When it comes to logistics in great volume with controlled quality and on-time performance, Nava netra Logistics sdn.bhd provides transportation of your finished products and goods to hypermarkets nationwide, ensuring a reliable delivery that meets the deadline and provides proper documentation for all your deliveries. With us, your products are on time and in good hands.

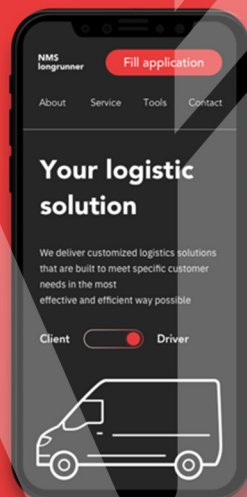

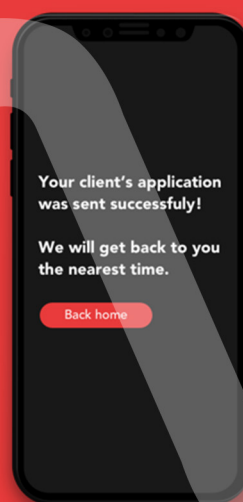

Depending on the place of this production facility, the product is shipped using trucks, airplanes, trains or even boats. A supermarket has hundreds of products and they come from around the world. Handling this distribution process can be either the supermarket, or an external company specialized in logistics. Most companies will externalize the distribution process to companies that have more experience and more equipment. These companies have a whole fleet of trucks and other vehicles they can use. The goods from a supermarket are loaded and shipped on a regular basis (daily, weekly or monthly depending on the product). However these goods will not reach the supermarket just yet.

Supply Chain Consultancy.

With years of experienced and logistics experts equipped with Certifications we have delivered cutting edge supply chain solutions for our Customers to improve their supply chains.

Our approach is simple and flexible, we offer a dedicated project team approach in which we assign a Project Manager to do a complete review and study of your current systems and practices using Six Sigma DMAIC (Define-Measure- Analyze-Implement-Control) Roadmap Tool.

During the project period, your Team will gain unlimited access to our diverse team that have decades of experience in design and implementation of supply chain solutions.
